Someone that cares about YOUR health has given you this pre-paid complimentary gift, called the Basic Health Advisor.

It is YOUR **Personal Medical Record**, that explains YOUR medical test results, to find out details about YOUR basic health condition.

This prepaid gift package **ALSO** includes a Basic Health Meter, that will indicate if your health is **normal**, **borderline**, or **abnormal**, depending on whether the result values from your basic medical tests, fall within the green, yellow or red categories, **so that you can find out....**

**“How Healthy Are You?”**
